TOURS AND TRAVEL

BRIGHT & LAKES ENTRANCE

20TH - 27TH FEBRUARY 2020

8 DAY TOUR

This 8 day tour takes us on a journey through some of the most spectacular landscapes in Australia, often on roads less travelled. On our route to Lakes Entrance we travel through Canberra and Cooma with our first night at Rydges Horizons, Jindabyne (02 6456 2562) on the edge of the lake. We will then travel along the Snowy River Way through Dalgety and Bombala, two peaceful towns that were both considered as the future site of our National Capital, to Lakes Entrance. We then continue on the very aptly named Great Alpine Road through Omeo and over Mount Hotham to Bright.

The final days of our journey are through Ovens Valleys and the picturesque Kiewa crossing into the upper Murray to Corryong, the home of Jack Riley The Man from Snowy River for our last night at Tumbarumba at the Tumbarumba Motel (Ph: 6948 2494). We return to Sydney via Tumut and Gundagai.

Lakes Entrance is situated on the edge of Ninety Mile Beach where the Gippsland Lakes meet the Southern Ocean. It is home to a large commercial fishing fleet and one of its many attractions is an abundance of fresh seafood. The six lakes that make up the system cover an area of over 400 square kilometres and are a haven for boating and fishing enthusiasts as well as providing habitat for an enormous number of waterbirds. During our stay we will explore the lakes and some of the interesting towns on the vast shoreline. Our stay is at The Esplanade Resort & Spa. (Ph: 03 5155 3533)

The Victorian High Country is an area of stunning beauty year round, with the rugged mountain grandeur overlooking some of the prettiest valleys imaginable. The inspirational scenery is only one of the attractions, it also boasts a fascinating history dating back to the *Gold Rush* days, including our most notorious bushrangers. Our tour sees us based in Bright for 3 nights at the High Country Motor Inn (Ph: 03 5755 1244), which features tranquil gardens and outstanding country hospitality and allows us time to properly explore and appreciate this unique area.
