CROOKWELL GARDEN FESTIVAL

3 DAY TOUR

8TH – 10TH NOVEMBER 2019

Each year in November, the small town of Crookwell is abuzz as garden lovers flock to this hidden gem. Crookwell is located at 1000m above sea level and its cool climate gardens contain a fabulous array of flowering and fruiting plants. It is blessed with rich deep soils and local enthusiasts will showcase the beauty and diversity of their gardens. There will be a variety of town and country gardens open over the 2 days of the festival and we will also take in many of the region's other highlights during our 3 day tour.

The festival brings the community together and staffed by enthusiastic volunteers, it raises substantial amounts for local charities each year.
