TOURS AND TRAVEL

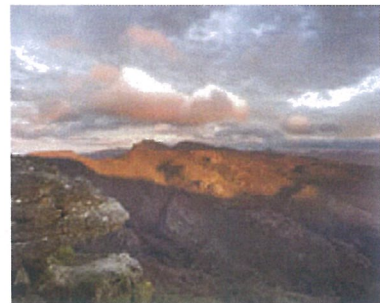

GREAT OCEAN ROAD, GRAMPIANS & GOLD FIELDS

14TH - 22ND MARCH 2019

9 DAY DRIVE/FLY TOUR

This tour takes in many of the spectacular highlights of Victoria. Our accommodation is 4 star all the way and apart from our first night in Albury and fourth night at Halls Gap. We will be enjoying 2 night stays at Creswick, Warrnambool and Torquay. This allows a more relaxed pace (minimising packing and unpacking) and time to experience three distinctly different regions.

The Victorian Goldfields have a rich heritage and en route to Creswick we will pause to explore the grandeur and opulent history of Bendigo. Our local guide in Ballarat will bring to life the events that helped shape our nation and show us many of this thriving city's highlights.

Heading west from Creswick to the Grampians, we pass through vast vineyards and the towns of Ararat, Great Western and Stawell - famous for its 'Gift'. Renowned for its rugged ranges, the Grampians National Park is one of Victoria's finest and most visited. We will have a picnic lunch at McKenzie Falls and take in many of the park's amazing lookouts.

The Great Ocean Road is one of Australia's icons with a vast and rugged coastline that stretches almost 250km and what ever mood the ocean is in, it is always an exhilarating drive. Warrnambool is a great coastal town, with a proud maritime history, which serves a prosperous farming region.

Using the town as our base allows us to reach Port Campbell and the 12 Apostles in the morning, giving us time to appreciate this truly unique place before commencing our journey east along the spectacular shoreline of the Southern Ocean. The township of Torquay has become Victoria's surf headquarters and we will also visit the famous Bells Beach. Prior to our flight from Avalon Airport we will have the opportunity to take in the thriving city of Geelong – the *City of Sails*. We will spend time in the new Waterfront Precinct as well as taking in its rich heritage.
