TOURS AND TRAVEL

HUNTER VALLEY YULEFEST

26TH & 27TH JULY 2018

This tour has been designed to allow a leisurely pace to fully appreciate the relaxed ambience of the spectacular Hunter Valley Gardens in the heart of the Pokolbin wine district. Nestled at the foothills of the Brokenback Ranges, the gardens span over 25 hectares and are offering *Snow Time in the Garden* during the Yulefest season. We will experience an icy wonderland – chill out on their giant ice skating rink, 25 metre ice toboggan or build a snow man!

Our motel is the Mercure Resort, a delightful 4 ½ star motel adjoining the gardens and vineyards in the heart of Pokolbin, which offers a truly luxurious standard of accommodation. Apart from its beautiful setting it provides the perfect base to explore one of our premier destinations. Along with the opportunity to sample many award winning wines, the Hunter has a wide range of attractions, spectacular scenery and rich heritage.

Our journey up to the Hunter takes us off the expressway and we travel through Peats Ridge and Kulnorra on our way across the western side of the Wattagan Ranges. This route takes us through the villages of Laguna and Wollombi on the old convict trail before we enter Pokolbin from Mt View.

Highlights include visits to:-

- * The highly acclaimed Hunter Valley Gardens, Chapel & village
- * The Hunter Cheese Factory
- * Lunch at Mulla Villa Guesthouse, Wollombi
- * Hope Estate and Tallavera Grove Wineries

Cost per person is \$440.00 and includes a 3 course Yulefest dinner with all the trimmings, full cooked breakfast, 2 lunches, admissions and tastings. Single supplement is \$75.00.
