MILLTHORPE GARDEN RAMBLE & ORANGE

4 DAY TOUR

2ND - 5TH NOVEMBER 2018

This tour combines 2 great destinations and some fabulous countryside in between. Our journey to Orange takes us through the Blue Mountains which will be ablaze with Spring color. Orange – Australia's colour city offers a diverse range of wonderful attractions, four very different seasons ensure your visit will be a little different each time. Today it is a sophisticated and prosperous city with a history dating back to the very first gold rush and many fine heritage buildings. It is also the perfect base to explore Millthorpe and its delightful private gardens.

Millthorpe was established in the pioneering era and has a rich agricultural history, a legacy of grand buildings, heritage architecture and a streetscape that has remained largely unchanged since the early 1900's. The entire village is classified by the National Trust and the village centre has cobbled bluestone bordered streets. It is a living museum being home to a community of about 700 people and set in a rural landscape amongst gently rolling hills with Mount Canobolas in the distance giving it a majestic backdrop. This year sees 10 delightful gardens open for the ramble and we will take in at least 5 of them.
