TOURS AND TRAVEL SHOALHAVEN

& JERVIS BAY

8TH & 9TH APRIL 2020

2 DAY TOUR

The object of this tour is to contribute to areas of the south coast and southern highlands that are in such desperate need after summer's devastating bush fires.

It features our spectacular coastline which we will explore from Stanwell Park to Jervis Bay. From the rugged cliffs and headlands of the Illawarra Coast, the wide expansive beaches of Gerringong and Gerroa to the amazing Point Perpendicular and brilliant white sands of Vincentia, there is stunning scenery at every turn. Providing a vivid contrast are the picturesque Cambewarra and Barrengarry Mountains and the escarpment of Morton National Park. We return to Sydney via the Southern Highlands traveling through the townships of Robertson and Bowral and drive over Mt Gibraltar into Mittagong.

Jervis Bay is a pristine blue water wonderland and permanent home to a large pod of Bottlenose Dolphins which we will hopefully meet on our cruise. Our accommodation is at Springs Resort Shoalhaven which is the perfect base to explore this region and enjoy and stay and appreciate our surroundings.

Highlights include:-

- * Sir Lawrence Hargraves Drive and the Illawarra Coast
- * Seafood Picnic at Greenwell Point
- * Dolphin watch cruise on Jervis Bay
- * Gerringong & Gerroa, Huskisson & Vincentia
- * Kiama & Berry
- * Kangaroo Valley, Fitzroy Falls & Morton National Park

Cost per person is \$440.00. Single supplement is \$80.00. Includes all meals, morning tea each day and all admissions.
