WINGS OVER ILLAWARRA

AIR SHOW 1ST & 2ND MAY 2020

Each year the Historic Aircraft Restoration Society, based at Albion Park, put on a fabulous air show. HARS is a volunteer group established to fund the collection, restoration and operation of aircraft that have played a major role in the development of Australian Aviation. The HARS fleet includes Super Constellation 'Southern Preservation', two Lockheed P2V Neptunes, two Douglas C-47 Dakotas, a Douglas DC-4, de Havilland Drover, Convair 340-67 airliner, a Consolidated Catalina, two de Havilland Vampires, Bell AH-1P Huey Cobra, Cessna 310, Cessna 180, Tiger Moth, Winjeels and many others.

In addition to the HARS Aircraft there will be spectacular displays with RAAF Fighter Jets and huge heavy transport aircraft along with some of Australia's top formation flying teams performing breathtaking manoeuvres over the beautiful Illawarra. Several Historic Aircraft from Temora fly in for the show and the Royal Australian Navy Fleet Air Arm Helicopters also thrill and entertain. Apart from the magnificent planes there will be lots of other great attractions on the ground, all helping to create a truly memorable day.

Our accommodation is at the Sage Hotel Wollongong, a 4 star property close to the waterfront. Staying overnight will allow us to explore the picturesque Illawarra at leisure and give us a full day to enjoy the airshow.
